Vertical Integration

Main raw materials produced internally

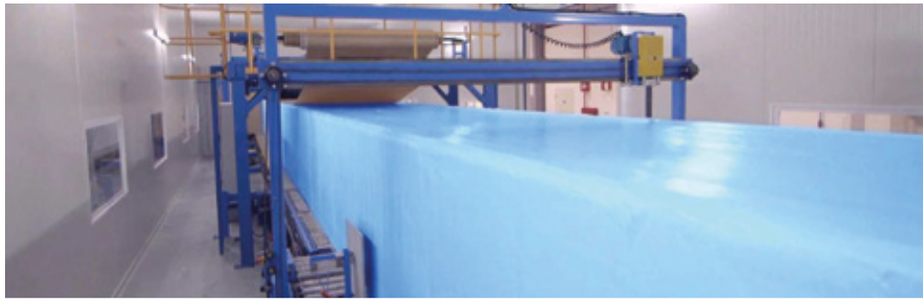
Polyurethane foam

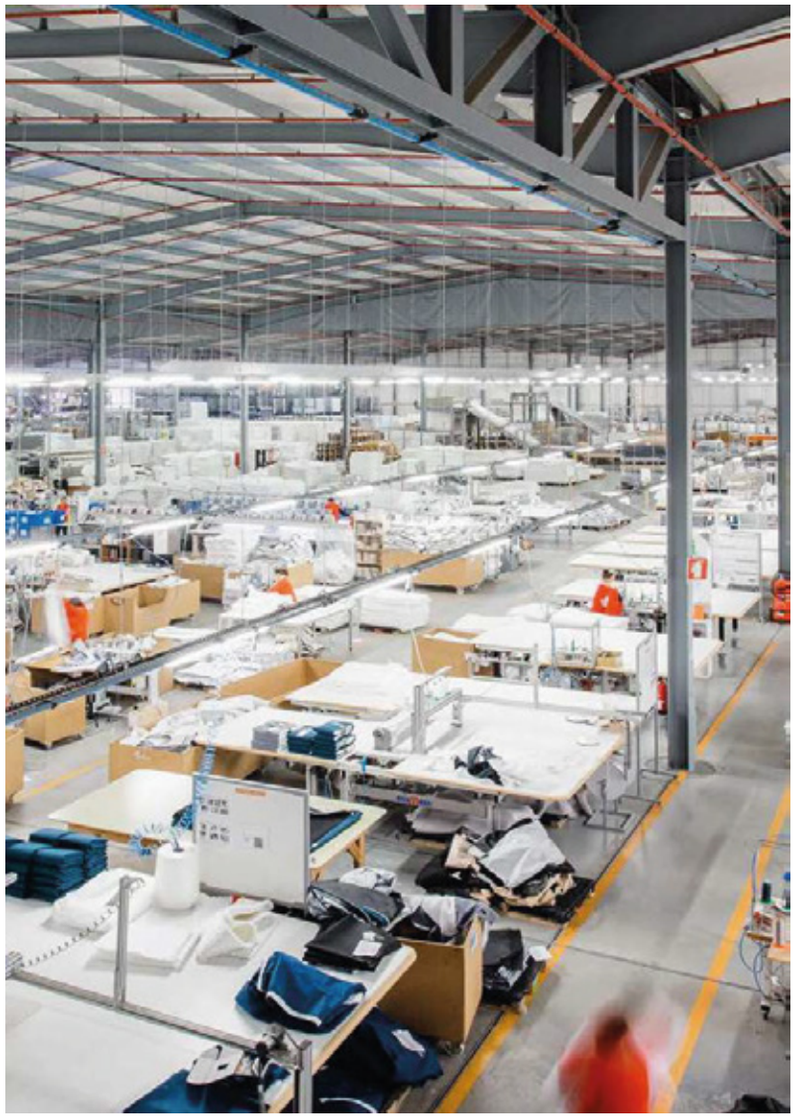
Springs / pocket springs

Polyester fibers

Wood structures

Metal frames





Capacity

Production Covered Area

555.000 m²

6.000.000 sq.ft.

Total production area, across 20 manufacturing plants

PT	FR	PL	DE	CH	AT	BE	NL	RO
Portugal	France	Poland	Germany	Switzerland	Austria	Belgium	Netherlands	Romania

Annual production output

Mattresses

1.200.000	Novaqui
900.000	Aquinos Bedding

Seats

1.500.000	Portugal
750.000	France
500.000	Poland
2.750.000	TOTAL

Several possibilities to increase significantly output capacity

Comprehensive Service

Optimized Storage

Three high technology wharehouses

Automatic storage
by simple or double depth crane bridges

Synchronized transport
between production - wharehouse - docks

Integrated **WMS**

OTD Reliability

Comprehensive Service

Quality Assurance

All our services work under the highest standards of safety, reliability and comfort of our products

Comprehensive Service

Pro-active R&D

Our designers constantly propose innovative products and solutions to our clients.

We are fully prepared to develop products based on customers specifications meeting all their needs and requirements.

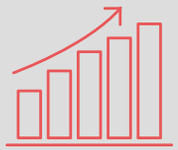
Strategy

Main strategic axes 2022 - 2025

Industrial activity

Continue developing long-term partnerships with our stakeholders



Focus on a steady growth in home comfort business
(both turnover and profitability)

Strengthen company resilience and business sustainability

Clear leadership in sofa and mattress production in Europe
and a recognised global player in these 2 core businesses

Commit to a less impactful footprint on the planet
